CAREER OBJECTIVE

Second-year Business Information Systems student with hands-on experience building responsive websites using HTML5 and CSS3, plus foundational exposure to Flutter, Python, and C++. Seeking a Front-End Development internship to apply self-taught web development skills, contribute to real projects, and grow within a collaborative team.

EDUCATION

Higher Institute for Computers, Management Information Systems and Administrative Sciences, Shubra El-Kheima
Banha, Egypt Bachelor of Business Information Systems — 2nd Year Student

TRAINING

GDG On Campus – Banha University

2-Week Intensive Bootcamp

- Completed a two-week intersession bootcamp covering Front-End Web Development (Week 1) and Flutter app development fundamentals (Week 2).
- Earned two certificates of completion for Front-End Development and Flutter.

CERTIFICATIONS & COURSES

- Python Programming — foundational syntax, logic, and problem-solving.
- Scratch — visual programming logic and computational thinking.
- App Inventor — basics of mobile app design and building.

PROJECTS

Restaurant Website

Personal Project

- Designed and built a responsive restaurant website from scratch using HTML5 and CSS3, independently researching layout and UX practices to improve the final design.

Café Website

Personal Project

- Developed a fully responsive café website using HTML5 and CSS3, focusing on clean navigation and visual presentation of menu items.

Hospital Website

Personal Project

- Built a multi-section hospital website using HTML5 and CSS3, structuring content for clarity and ease of navigation across departments and services.

Personal Portfolio

Personal Project

- Created a personal portfolio website using HTML5 and CSS3 to showcase completed projects and technical skills.

TECHNICAL SKILLS

- Web Development: HTML5, CSS3
 - Programming Fundamentals: Python, C++ (basic — through functions), Scratch
 - Mobile Development: Flutter (basic), App Inventor
-

SOFT SKILLS

- Strong team collaboration and communication
- Analytical thinking and problem-solving
- Self-directed learning and research
